

CURRICULUM VITAE

PERSONAL DETAILS

Surname	: de FOUCHIER
First Name	: Thibault
Date / Place of Birth	: March 09 th , 1961 in Enghien les Bains
Nationality	: French

PERSONAL PROFILE:

Senior Marine surveyor

Over 15 years, the shipping industry has been scrutinized professionally by the activities of navigation, surveys and management that I experienced.

The last step of the exploration has been financial and commercial to let me get a view of strategy for business purpose in all segments of the maritime industry such as: transport, navy, mega yacht, fishing, yards, equipment, wind farms, offshore oil & gas.

My experience have basics which are navigation on various cargo ships, ferries and tankers and marine surveys of all kinds: classification, statutory, quality audits, condition assessment of ships, evaluation of ship's value, damage on hull and machinery, risk assessment, Market survey and marine systems' development activity.

EDUCATION
